Operations & UGC Campaign Management Specialist | SaaS & Creator Economy Expertise

PROFESSIONAL SUMMARY

Operations leader with **6+ years managing high-volume UGC and creator campaigns**. Skilled in workflow automation, cross-functional alignment, and data-driven decision-making. Known for reducing resolution times by **95%**, preventing **\$30K+ losses**, and delivering **100+ successful UGC projects**.

CORE COMPETENCIES

- **UGC & Campaign Operations:** Creator Onboarding • Process Oversight • Accountability To Stakeholders
 - **Operations & Process Optimization:** KPI Monitoring • SOP Development • CSAT Optimization • OKR Alignment
 - **Technology & Systems:** Salesforce • Thumbtack Admin • HomeAdvisor Workplace Betti • BigQuery • Zapier • Airtable • Notion
 - **Collaboration & Leadership:** Cross-Functional Coordination • Stakeholder Engagement • Remote/Async Operations
-

PROFESSIONAL EXPERIENCE

Thumbtack — Remote

Operations Consultant | Escalations & Knowledge Lead

2022 – 2025

- **Reduced escalation resolution times by 95%** by redesigning SOPs and automating workflows, improving CSAT and meeting OKRs while managing **1,500+ creator and user escalations** that prevented compliance issues and mitigated **\$10K–\$30K+ losses**.
- Built **AI-enhanced knowledge systems** adopted by **5+ creator-support teams**, eliminating hold times for refund decisions and review scoring through BigQuery automation.
- Partnered with Product, Legal, and Trust & Safety teams to **launch integrations and campaign oversight systems**, while leading KPI reporting and analytics for executive-level decisions.

HomeAdvisor / ANGI — Golden, CO / Remote

Tier 4 Supervisor, Business Engagement & Retention
2018 – 2021

- Promoted **3 times in 12 months** and transitioned operations to remote workflows during COVID while maintaining top CSAT scores and meeting OKRs.
 - Managed high-value creator and brand accounts, **increasing budgets by \$100K+ monthly** through strategic onboarding, retention campaigns, and SOPs that reduced churn and exceeded revenue KPIs.
 - Led cross-department initiatives addressing high-risk escalations, refunds, and compliance concerns, aligning solutions to organizational OKRs.
-

KEY ACHIEVEMENTS

- Delivered **100+ UGC and creator campaigns** on time and under budget while meeting KPI and CSAT goals.
 - Developed **AI-optimized knowledge bases and Help Centers** that scaled across 40+ teams and improved compliance KPIs.
 - Cleared App Store review backlogs and **prevented platform delisting** through strategic response systems.
 - Designed KPI dashboards and automated reporting frameworks for executive OKR tracking.
-

CERTIFICATIONS

- **HubSpot Academy:** Service Hub Software • Inbound Marketing • Revenue Operations • SEO 1 • SEO 2
