PROFESSIONAL EXPERIENCE

Thumbtack — Remote

Operations Consultant | Escalations Lead | 2022 – 2025

- Reduced escalation response times 95% (2-3 days to <1 hour) through SOP redesign and workflow optimization
- Monitored team interactions, provided performance feedback to managers ensuring service quality adherence
- Led targeted training sessions on conversation techniques, ROI discussions, reviews, and refund policies
- Developed canned response libraries and templates improving response consistency across teams
- Resolved 1,500+ iOS/Play Store reviews, implementing compliant protocols preventing platform delisting
- Led complex escalation resolution for Trust & Safety risks, refund disputes, and high-value customer concerns
- Collaborated with Legal, T&S, and Refund teams identifying fraud, preventing \$10K-\$30K+ losses per case

- Represented Support on Product Feedback Council, delivering insights driving product improvements
- Created ROI calculators, review analytics systems, and customer health reports enhancing decision-making
- Pioneered AI integration developing custom prompt engineering and automated triage systems

HomeAdvisor / ANGI — Golden, CO / Remote

Tier 4 Supervisor, Business Engagement & Retention | March 2018 – September 2021

- Promoted from frontline to Supervisor with Engagement Team within 12 months
- Managed high-value relationships with five-to-six-figure budgets, increasing spending \$100K+ monthly
- Transitioned to remote operations during COVID-19, maintaining productivity while achieving improved CSAT
- Designed national onboarding scripts and led strategic calls reducing churn

EDUCATION & CERTIFICATIONS

HubSpot: Service Hub Software • Inbound Marketing • Revenue Operations • SEO 1 & 2

Google Cloud: Introduction to Generative AI Badge

KEY ACHIEVEMENTS
