Support Operations & Escalations Specialist with strong expertise in Trust & Safety, policy enforcement, and AI-driven customer workflows. Proven leader in managing high-risk escalations, fraud mitigation, and cross-functional collaboration to strengthen CX processes. Combines human-centered support with automation to deliver scalable, high-impact solutions.

CORE SKILLS

Escalation Management • Trust & Safety • Policy Enforcement • Risk Mitigation • AI Prompt Engineering • CX Operations • Refund Disputes • Content Moderation • CRM Systems • SaaS Tools • Process Improvement • Quality Assurance • Knowledge Ops • Conflict Resolution • Voice & IVR Systems • Root Cause Analysis • Cross-Functional Collaboration • Project Leadership • Coaching

PROFESSIONAL EXPERIENCE

Thumbtack — Remote

Operations Consultant | Escalations Lead

2022 – 2025

- Led complex escalations, behavioral concerns, Trust & Safety risks, and refund disputes
- Resolved 1,500+ iOS/Play Store reviews; safeguarded brand presence and developed SOPs for compliant responses
- Integrated AI tools: BigQuery scripts, ROI calculators, review tabulators to streamline support
- Partnered with Legal, T&S, and Refund teams to identify abuse, successfully preventing \$10K–\$30K+ losses per case
- Reduced escalation response time from 2–3 business days to under 1 hour via SOP redesign
- Authored and recorded IVR scripts; improved CX and reduced outsourcing costs
- Maintained SOPs, Help Center content, and knowledge base for clarity and consistency
- Coached frontline agents on tone and resolution strategy; improved brand alignment
- Represented Support on Product Feedback Council; delivered actionable insights
- Mentored peers, led training, and developed scalable support workflows
- Monitored and resolved cross-department questions and troubleshooting issues
- Led cross-department ad-hoc projects and campaigns

HomeAdvisor / ANGI — Golden, CO / Remote

Tier 4 Supervisor, Business Engagement & Retention

2018 – 2021

- Promoted from frontline to Supervisor and then to the Engagement Team within one year
- Shifted to remote during COVID; improved CSAT and productivity, earning multiple awards
- Managed high-spend escalated accounts; negotiated five- to six-figure budgets
- Resolved complex customer concerns; regularly increased their spending by \$100k/mo
- Designed national onboarding scripts; led calls to align expectations and build trust
- Led strategic check-ins and re-engagement campaigns to reduce churn
- Supported cancellation/refund team with tailored retention offers
- Participated in proactive platform initiatives to address risk and drive engagement

EDUCATION

HubSpot Certifications: Service Hub Software • Inbound • Revenue Operations • SEO 1 • SEO 2

Google Cloud Skills Boost: Introduction to Generative AI Badge

SELECT HIGHLIGHTS

- **App Store Defense:** Cleared review backlog and prevented platform delisting
- **AI Workflow Innovation:** Created tools and automated triage flows to scale operations
- **Fraud Mitigation:** Mitigated refund abuse cases exceeding \$30K
- **Escalation Turnaround:** Reduced resolution times from 3 days to under 1 hour
- **Brand Voice:** Wrote, recorded, and deployed official IVR messaging
